Certifications

Geekster | Geekster Full Stack Web Development Bootcamp

- Solved 500+ DSA/Coding questions on Hackerrank and Leetcode.
- Secured **1st rank** in Geekster's Coding Challenge and recognized as a **top performer** in Geekster's HackerRank problem-solving assessments.
- Worked on various projects like **Talksy-Chating-App**, **Movie-Bajar AI**, **Food-Bajar**.
- Technical Stack Learned : **NodeJs, MongoDB, ExpressJs, React, Javascript, TypeScript, Tailwind, Redux, Java**

Projects

Talksy-Chating-App [Deployed link](#) [Github link](#)

- Built a real-time chat application (Talksy) with instant messaging, online status tracking, and image sharing using Socket.io.
- Implemented secure authentication and authorization using JWT and Bcrypt for password encryption.
- Integrated Cloudinary for efficient image uploads and storage, enabling seamless media sharing in conversations.
- Designed a scalable and responsive UI with React, including shimmer effects, smooth animations, and real-time updates.
- **Tech Stack:** React, Zustand, Socket.io, Axios, Node.js, Express.js, MongoDB, Mongoose, JSON Web Token (JWT), Cloudinary, Bcrypt, CORS.

Movie-Bajar AI [Deployed link](#) [Github link](#)

- Designed and implemented secure user authentication for account creation and session management.
- Utilized Redux for efficient state management, enhancing application performance and user experience.
- Applied responsive design best practices, ensuring seamless functionality across devices.
- Optimized application performance through lazy loading, minimized API calls, and efficient algorithms for search queries.
- **Tech Stack:** React, Tailwind CSS, Redux, Firebase, Gemini API, TMDA API.

Skills

- **Computer Language** : Java, Javascript, TypeScript, HTML, CSS
- **Frameworks / Libraries** : NodeJs, MongoDB, ExpressJs, ReactJS, Tailwind, Redux, REST-API
- **Tools & Technologies** : GIT & Github, VS code, Firebase

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2023	BCA	Narula Institute of technology	9.13
2019	12th	BSEB	67%
